2021 InVigor Hybrid Canola Reseed Program

BASF understands farming conditions are unpredictable and wants to help growers protect their investment in their InVigor® hybrid canola by offering the **InVigor Hybrid Canola Reseed Program**.*

If your InVigor hybrid canola crop fails to establish due to early-season crop establishment issues and you reseed using InVigor again, you may be eligible for \$400 per reseeded bag. In order to qualify the claim, you must register your claim prior to June 30th, 2021 and within 15 working days of reseeding. **Retails cannot submit a claim on behalf of the grower.**

- To register your claim, call **AgSolutions®** Customer Care at 1-877-371-BASF (2273)
- Please read the full terms and conditions for the 2021 InVigor Hybrid Canola Reseed Program prior to calling. They can be found at agsolutions.ca/InVigorReseedProgram
- Once your claim has been registered, Customer Care will provide you with a registration number for your records

To register a claim a grower will be required to provide:

- Liberty® and Trait Agreement Number (LTA)
- Legal entity listed on LTA
- InVigor canola hybrid planted
- Number of bags reseeded (minimum claim 4 bags)
- Register claim prior to June 30, 2021 and within 15 working days of reseeding

Claim deadline: June 30, 2021

*All claims are subject to the full terms and conditions for the 2021 InVigor Hybrid Canola Reseed Program; visit agsolutions.ca/InVigorReseedProgram for details.
